Do you love the lyrical, emotional, magically sweet sound that some players create on the mountain dulcimer? Come experiment with a variety of left and right hand technique, harmonies and phrasing that will lead to more beautiful dulcimer playing. We will play with scales, a familiar melody and an Irish air in our journey to “making it beautiful. If you want to bring a piece you are working on, we may possibly have time to see how it could be made more beautiful. DAD Novice-Intermediate

**There is still plenty of room in most of the other workshops on the schedule including these 3 workshops which were recently added:**

- #46. Ukulele Chord Patterns in Songs** *Pixie Wright* Sat. 2:45 – 3:45
