### **Dwain Wilder** **Bear Meadow Appalachian Dulcimers**

Bear Meadow dulcimers are built on commission, specifically voiced for each client. From time to time I will have a few display models which do not match any commission, and so can be sold. Please see me during the festival for more details. Or if you're unable to attend, email me at [dwain@bearmeadow.com](mailto:dwain@bearmeadow.com), and please mention "dulcimer festival" in the subject line <https://www.bearmeadow.com/>

**Tom Irving** will unfortunately not be able to join us as a vendor this year after all. But if you are interested in purchasing any of his wares which are listed below, you can contact him at: [tom468strings@yahoo.com](mailto:tom468strings@yahoo.com)

Tom creates unique items for the Mountain Dulcimer, Ukulele, and even the Bowed Dulcimer. He has helped Dulcimer Folk around the world enjoy making music with the best instruments made! Possum Pads, Uke Pads, Bowed Pads, Neater Noters, Tom's Noter Cubes, Dulci-Wrests, Perfect Picks, and single strings are all available.
