

# Previously loved Instrument Sale 2023

Once again we are offering used instruments for sale at our Mountain Dulcimer Music Fest. This will be for musical instruments only, so please don't plan to bring things such as old books, tapes, or rocking chairs. ☺

Bill White will be in charge of the instrument room again this year. We would like to request that those who bring instruments to sell help out for a short time if possible. There will be a sign up sheet for volunteers in the Instrument Room.

Each registered participant may bring up to 4 items. Of those items, only 1 or 2 may be dulcimers. As a courtesy to our builders, please do not bring dulcimers to resell that were originally made by our vendors.

Information needed: A list of the instruments you plan to bring, with any relevant info you would like to have folks know about each instrument (Builder, type of wood, date built, anything else you care to say about the instrument) - including the price you are asking. We will make up a card or tag for each instrument, so that whoever is in the room as a volunteer at the time won't be stumped if prospective "customers" ask questions about any of the instruments. All musical instruments are welcome - except maybe a concert harp or a grand piano. (Since our space is rather limited, very large instruments might be a bit of a problem . ☺)

**Please send information ahead of time about the instruments you will be bringing – by Feb. 20 if possible.**

You will receive all proceeds from any of your instruments which are sold. We appreciate any donation you are willing to make to support the festival and this service.

Checks should be made out to: **Dulcimer Association of Albany.**

Note: the Dulcimer Association of Albany, the festival, its organizers, volunteers and hosts will not be held liable for perceived or actual damage to or loss of instruments or monies left in its custody as part of this service.

If you would like to offer previously owned instruments for sale, please send info to:

The Used Instrument Sale will be held in the Youth Room, just off the main vendor's area. The sale will begin at 2 PM on Friday afternoon, and will end at 7 PM on Saturday. All unsold instruments must be picked up by 7:20 PM on Saturday, unless special arrangements are made ahead of time.
